Further details

Heavy rain is expected to develop in some areas overnight, Sunday then expected to bring further slow-moving heavy, thundery downpours. Some places will miss these, but where they do occur, 20-30 mm rain may fall in a short space of time with 50-80 mm building up over several hours in a few places. Many of the showers and thunderstorms will ease on Sunday evening but there is a small risk of heavy rain persisting into Sunday night in a few places.

Very low likelihood of medium impacts
